3) It would be convenient to deal with this case as well as the representation of Mr.C.Krishna Rao x. (in the linked file) together.

4) There is some force in the contention that the the existing travelling allowance rules and rates regarding the journeys of non-officials and retired officers made to attend meetings of Legislative Council, Economic Conference, ~~Senate~~, Text book and other committees are anomalous and require ~~some~~ modification.

5) These rules are contained in articles 548 to 553 M.S.R. and in G.O. Nos. 5578-9/Edn.54-16-25 dated 22nd January 1917 respectively in respect of -- ~~Senate meetings and~~ University Council sittings. The corresponding provisions in British India are article 1003 & 4 & 1148 C.S.R.

6) In his note on travelling rules and rates, Mr. Datta has pointed out that the Mysore Rules are very complicated and can be made very simple -- and easy of application.

7) The following general rules are suggested for consideration :-

(1) Official members, whether they are members of the Legislative Council, University Council, Economic Conference or other committees should always be entitled to draw Travelling allowance as for journeys on tour, the question of the debit of

(Vide art.548,551,552 and clause (1) G.O.of 22nd January 1917) - G.O.96-12-1911

(2) No distinction need be made between non-officials who are retired officers of Governme... or not - except in respect of retired Dewans and Councillors, who may be allowed the special -- rates of travelling allowance as at present for -- attending meetings of Legislative Council (University Council) or Economic Conference.

(3) As regards all other non-officials including retired officers of Government, The rates may be divided into the following 3 classes.

(The principle that there should be no distinction between retired officers and other non-officials has been accepted in the abolition of note to -- article 582 M.S.R. and the amendment made to that article in A & C slip No.21 dated 13th March 1915 and the same may be adopted in other cases also).

3rd Class - District Committees of Economic Conference, managing committees of the Maharaja's Girl's College, Special Committees of the Representative Assembly members, District Board members - paid from Local Funds, and all other committees not included in 1 or 2.

Railway fare - Double 2nd Class.

Road mileage - 4 annas.

Halting allowance - Nil.

(4) The variation between the existing rules and those herein proposed are exhibited in the table appended.

8) The chief modifications suggested for consideration are

(i) Abolition of the distinction between retired officers and other non-officials - Vide Art. 550 1 (1) and G.O. 2504-7/Edn. 54-16-4 of 29th September 1916.

(ii) Fixing rates for non-officials attending Executive meetings as for Legislative meetings -

2) I think that some systematizing is necessary & the proposals of Mr Fin in his note of 29.1.18 may well form the basis of discussion. The question however bristles with difficulties e.g. how will R.A. members like being placed as a body in a lower class than Local Self-Govt Committee members, Ayurvedic Committee members &c? Then again the anomaly will remain of the same man drawing t.a. at different rates for diff. journeys -

It will be for the Addn. Depts concerned to suggest the best way of getting over such difficulties. They may be consulted as regards

But it would involve appreciable increase of expenditure - There is besides the case of the members of Municipalities where tax is payable mostly for light by the local boards, who sometimes pay rent-free house where the tax is payable - The object of issuing the Regulations is to systematise the existing rules and practice, and they were drawn only for guidance and the question of allowing additional allowances to Municipal officials of Committees whom none is admissible under the present rules may be considered separately -

I agree - The point may be considered if any responsible authority concerned forces the matter as first

SIR,

I have the honour to inform you that Rev. H. Spencer, Mysore, co plains that the travelling allowances as now given to the non-official members including retired officers of the Text-Book and the Local Examination Committees under Article 552 of the Mysore Service Regulations ar not enough to reimburse them for their actual expenses, and suggests that a lump sum grant of Rs.5/- over and above the railway fare may be sanctioned for each consecutive twenty-four hours of absence from their Headquarters.

In this connection, I beg to suggest that, in modification of the Article 552, a day's halting allowance of Rs.5/- may be kindly ordered t be given for each sitting of the Committee, irrespective of the hours o arrival and departure, in addition to the railway fare and mileage as a present.

In this connection, however, the question of paying Travell Allowance to a member who has a permanent or temporary residence out-side the State from such place has to be decided and he must l asked to give a definite place of residence from which the calcula tion for his Travelling Allowance may be made.

When a Sunday or other holiday intervenes between two consecutive sittings, halting allowance for the Sunday or other holida may be *reasonably* claimed and allowed.

It is highly desirable that a provision must accordingly be
